RENTAL APPLICATION

All applicants must provide a current picture ID. The application fee is **\$50.00** check, or certified funds. Security Deposit is required to hold property. All applications will be processed in the order received.

Application Fee:

A **\$50.00** application fee is collected before we can process your applications and run a credit report. This must be paid in, check, or certified funds at the time the application is submitted. A picture ID must be provided. If the applicants are not married, there will be a fee of **\$50.00 for each applicant**.

Income Requirement:

You must qualify for the rental payment. We use VA guidelines for the debt to income ratio of approximately 42%. This includes all bill payments and rent. If the owner allows more than one family unit to rent the property, then each person must qualify individually for the rental amount.

Credit Requirements:

A credit report is run on each applicant. The report cannot have any adverse credit ratings or judgments. If you are denied a rental property due to your credit history, your application fee is non-refundable. We are not permitted to share any information for the credit report or give you a copy.

Rental History:

Rental history will be checked if available.

Security Deposit and Pet Fee:

The applicant must be able to pay in full a security deposit in the amount equal to one month's rent. If the owner of the property allows more than one family unit to rent their property, each family must pay 75% of one month's rent. A pet fee of **\$150.00 per pet** will be collected in full for each permitted pet that will be on the premises. Only pets permitted by the lease will be allowed on the premises. No pet sitting will be allowed. Insurance companies will not allow 5 breeds of dogs in many homes. Please note:

No dogs of German Shepard, Doberman, Chow, Pit Bull, or Rottweiler breed will be allowed.

Family Size:

It is our company policy that only one family unit occupy a property. (A single person is considered a family unit.) If there will be occupants other than the applicant(s) and children, this must be approved by the rental manager or owner of the property. The applicant's family must not exceed two family members per bedroom.

Trampolines:

Many insurance companies are not allowing trampolines in rental properties. Please let us know ahead of time if you have one so that we can contact the owner's insurance company for approval.

Employment History:

The applicant will have to have established employment at current job for at least 6 months or be transferring from a similar position of which they have been employed for 1 year or longer.

Please advise your rental agent prior to viewing our homes or submitting an application on a property if you know of any situations that would be contrary to our credit policy.
